## Due Diligence Statement in Relation to Foreign Funding

The funding for the secretariat for the Loan Charge and Taxpayer Fairness APPG is provided from the Loan Charge Action Group, whose only source of income is membership subscriptions. All funding pays for the work and administration of the APPG, as directed by officers. No funding goes to Parliamentarians, nor does the APPG organise any trips or events other than APPG meetings and Parliamentarians do not benefit in any way as a result of being a member of the APPG. The funding is declared according to APPG rules and published on the register of All Party Groups.

There is no APPG funding from foreign governments nor is there any link to them.
